Senior Portraits

Things you need to know

Retouching & Quality:
All your portraits include retouching of normal blemishes, softening of facial lines, touch up under eyes & removal of stray hairs. All portraits are printed on beautiful linen paper. Prints from 4x5 to 8x10 are delivered in ebony folder frames. Previews are NOT retouched..

Planning Consultation:
This is a short, but very important 30-minute appointment to discuss what style of portraits you would like to have created especially for you! This is our chance to talk about clothing, locations, and prop ideas. We also set up a date for

your portrait session at this time.

APP Preview/ Placing your order:
When your previews are ready (approx. one week) I will email you instructions on downloading an APP with ~20 previews. We will then set up an appointment for you to see ALL your images here at my studio on the big screen at which time you can make your final selections and place your order. All decision makers are asked to please be here for this appointment. I will discuss with you all the different options available & answer any questions you have regarding pricing, retouching, cropping etc. .

Order Details:
Choose from the money saviing packages or Al La Carte Items. No minimum is required for your order.
A minimum payment of 50% of the total order is required before any order can be processed. I accept cash, check, Visa, Mastercard & American Express. Prices DO NOT include WA sales tax.
